Sri K.Hanumanthaya, M.A., LL.,B.,
Chief Minister of Mysore,
BANGALORE.

Sir:

This is to bring to your remembrance what you have said when you became the Chief Minister of Mysore that Law must be made easily available to one and all. This view is an ideal one which is highly esteemable in the world. This we have believed as the highest and most beneficial homage we can derive from the benign Government. We are very much pleased to tell you that you have lifted the controlls over food and clothes during your administration which has released the difficulties of the public. It is our pride to tell you that you are taking much interest in the development of the City of Mysore.

I am herewith enclosing the appeal signed by thousands of Hindus and Muslims of the City and the relative Photos explaining the respective spots which are now proposed for taking over, for your kind perusal. I have hoped that you will give your best consideration in the matter. In the appeal many gentlemen of City have written their individual opinions also for your kind perusal. The appeal is signed on pages 1 to 16.

I request you most humbly and gratefully to kindly peruse into the matter with a broad mind and help the poor orphans by allowing the space for the Muslim Boys' Orphanage, Mysore. This help will be an everlasting one and remembered by one and all.

Further, I request you to kindly grant me an interview to explain the whole situation before you, at your earliest conveinence.

I pray God to give you and your family all good health, wealth and prosperity to help us in the State.

Yours faithful and obedient Citizen,

N.J.Mohamed Yakoob.

The Chief Minister,
Government of Mysore,
B A N G A L O R E.

Respected Sir:

Re: Muslim Boys' Orphanage, Mysore.

We, the citizens of Mysore City, most respectfully bring to your kind notice the following facts for your gracious and generous consideration and favourable orders.

The Muslim Boys' Orphanage in Mysore is a very old institution in the City and it is run systematically and successfully. There are about one hundred orphans in the institution, who have been provided with boarding, lodging, educational and industrial trainings. The number is increasing day-by-day and the institution needs everybody's encouragement.

The insttution is run in the building attached to the Masjid. The space surrounded by the compound was given for the use of the institution during Sir Mirza Ismail's visit to the institution. It was constructed at the instance of a demand notice from the Muncipal Engineer. The compound walls were put up according to the specifications given by the Municipality. The institution is run here from a very long time. Even this building is insufficient for the institution. We have proposed to build a new building for the industrial training for these boys. We have also made arrangements to construct another building for the boys. The vacant site covered by the compound will be used every year for prayers on the festive days. In the limited space alone we have made arrangements for playground for these boys.

It is our pride to tell you that we have taken a bold step in helping these poor orphans and bringing them up to good citizens. The industrial training is given to these boys in the same institution. We will be very much pleased if you will kindly retain this portion of space to the orphanage only instead of giving a portion of this space enclosed by the compound walls, etc. to the Vidyavardhaka High School, Mysore. The land in front of the Masjid is required for the prayer ground for the thousands of people who gather here every year. This also you have ordered to take back.

We request you to kindly reconsider the circumstances and allow us to run the institution as usual by allowing the lands etc., as usual, for which act of kindness we the citizens of City and the property.

Yours faithfully
Citizens of Mysore City.

The Muslim's Boy's Orphanage has been rendering a great yeoman and invaluable service to the poor and the needy. It has been built up by the sacrifice and effort of many self-sacrificing Muslims. It has been run on very up-to-date lines. I cannot think that any better and fruitful service could be rendered to the public by disturbing or removing this important centre of service from the place. I hope Sober opinion would prevail among the concerned authorities and so that the present hasty and ill-considered action might be averted.

It is learnt that the site in question was granted to the Muslim Orphanage by Sir Mirza Ismail, the then Dewan of Mysore. It does not seem proper, that a property once granted to an institution, should be granted to another institution

SIR,

Subject: Grant of additonal site to the Muslim Orphanage, Mysore.

I write to state that the Chief Minister was pleased to interview the authorities of the Muslim Orphanage at 8:30 A.M. on 13-9-1955 at Jalsdarsini. After interview, the undersigned inspected the spot along with the authorities of the Orphanage, the President, City Municipal Council, the Commissioner, City Municipality. and the Executive Engineer in charge of the Exhibition Buildings on 13-9-1955. The President of the Orphanage in his letter No.182 dated 13-9-1955 addressed to the Chief Minister (copied to this office) has stated that the Orphanage will surrender to the Board, the triangular bit of land (marked blue) to the west of the Orphanage buildings and has requested grant, free of cost, the Trust Board bit of land marked in deep pink colour, situated to the south of the Orphanage site, excluding the portion required for the Aswatha Katte as per plan sent to the Chief Minister

2) The following proposal has therefore been made. The authorities of the Orphanage will give to the Board the triangular bits marked in the plan prepared by the Board, retaining 30 feet from the Orphanage building, and Government will kindly consider to grant them free of cost, the site marked in deep pink situated to the south of the Orphanage site, reserving an extent of 330 syds. for the Aswatha Katte.

3) Further, it may be stated that for the first time in the history of this controversy by the Orphanage authorities, ~~they~~ have veered round from the attitude of unreality to reality. Perhaps they seem to realise

P.T.O.

that the original grant of 5950 syds. was the only land for which they have any title. They are now requesting for an additional grant of land to the south of the present one allotted to them, in lieu of which, they are willing to hand over to the Trust Board, the triangular plot of land (marked blue) measuring 898 syds, and also an area of 330 syds. which has been excluded from their request for the location of Aswatha Katte. Thus an additional extent of 3294 syds. of land (as per details shown in the margin**) will have to be given to them if their request for this plot is to be granted.

**

	Syds.
Area of land asked for by the Orphanage authorities:	4522
Less area of triangular plot which they surrender to Trust Bd.	898
	3624
Less area reserved for Aswatha Katte:	330
Area to be granted to the Orphanage:	3294

4) I think that this request of the Orphanage authorities may therefore be considered favourably by Government. Whatever be the attitude of the Orphanage authorities hitherto, the institution itself is an Orphanage, and the site they are requesting for is before a Mosque and a Primary Urdu Boys' School. The present arrangement, if approved by Government, will open out the entire extended exhibition to the Vidya Vardhaka High School area without any complication from the Orphanage authorities, and will be helpful to all the three parties interested in this area, viz., the Exhibition authorities, Orphanage authorities and the Vidya Vardhaka High School Trust.

Yours faithfully,

Mysore 30th Sept. 1955

I. THE MUSLIM CITIZENS OF MYSORE CITY in mass meeting (numbering more than Twelve thousand) assembled at Meelad Baugh, Ashoka Road, Mysore City on the occasion of the celebration of the Holy Prophet's Day on 29th October 1955 resolved unanimously that they place on record their profound regret at the taking away by the City Improvement Trust Board of the vacant land adjacent to the Muslim Orphanage on the Sayyaji Rao Road which was in their possession and enjoyment for over 20 years ever since its grant to us during the time of Sir Mirza M. Ismail when he was Dewan of Mysore. This question was being brought up for reconsideration on the ground that the original order was not clear and specific on the point. But later on, in 1951 December or thereabouts, the then Minister for Trust Board inspected the place in the presence of the Orphanage authorities and wrote out an order which, while taking away such portions as were not necessary for the purpose of the Orphanage, allowed them to retain the rest which was quite necessary for its purposes. This did not fully satisfy the Muslim representatives. It is, however, strange that this order was not given effect to by the successor Government. The City Improvement Trust Board again reopened the subject and have now given away the vacant portion to the north of the Orphanage to the Vidyavardhaka Sangh for the purpose of putting up a High School. The latter erected the compound wall over-night leaving only a narrow margin of 35 feet. We would have had no objection for the grant of the site to the Vidya Vardhaka Sangh and we would even welcome the grant of a site to the High School, but that should have been elsewhere and not in this compound place and that at the cost of their poor Muslim Orphans. That narrow streteh of the site admits of no place for games or other outdoor activities to the new High School while it has deprived the open space for the Orphanage There were enough of spacious sites in the neighbourhood for the High School.

Another deep injury caused to the Muslim Orphanage is the reservation of a relatively large area measuring 60 ft. by 50 ft. right in front of the mosque in the very compound of the Orphanage building for the use of an abandoned Aswathkatte on which there is no tree at the present. Originally there was left for the purpose just a small place sufficient for its needs. This big piece of land being cut away from an otherwise rectangular frontage of the Orphanage destroys both the beauty and the utility of the open place.

This meeting feels that the Muslims being as much citizens of the State as others deserve every consideration and sympathy. This meeting considers that it is not yet too late to undo the wrong that is done to the Orphanage and prays that Government may be pleased to restore to the Orphanage the land now granted to Vidyavardhaka Sangha and also reduce the area reserved to the abanboned Aswathkatte from 60 ft x 50 ft to just what is necessary for the purpose. Such a gesture on the part of the Government and Trust Board would strike the imagination of the Muslim Community & cement the ties of friendship and brotherhood between the different communities.

P. T. O.

II. The Muslim citizens of Mysore City in mass meeting assembled at Meelad Baugh, Ashok Road, Mysore City on the occasion of the celebration of the Holy Prophet's Day on 29th October 1955 resolved unanimously to place on record their deep sense of dissatisfaction and disapprobation at the wanton injury to the feelings of the entire Muslim Community caused by the Mysore City Municipal Council in running a road right on the Khabrastan site on the other side of the Bus Terminus in Sayyaji Rao Road, Mandi Mohalla, Mysore and that in a hurried manner. The Municipal Council was well aware of the sentiments of the Muslim Community as regards this Khabrastan which has been noted in the registers of both the Municipal Council and Trust Board and for that very reason they had not put a road across the same all these many years. If there was any necessity for a conneetion to Sayyaji Rao Road from Ediga side it could easily have been done by just taking a side of the Khabrastan site to the north instead of cutting right across the place.

We wish to place on record the deep resentment of the entire Muslim Community at such an act of the Municipal Council which amounts to desecration of the Khabrastan a matter in which not only the Muslims of any particular place are interested but also by the entire Muslim community everywhere.

The Indian Constitution assures to every religious minority its rights but here it is found that the Council ignores the very fundamental rights to a section of its citizens. It is seen that in doing this act of sacrilage they were clearly abusing their trust and power and conscious of the fact that they had the brute majority which would not take into account any of the moral principles involved.

This assembly therefore urges that this new road across the Khabrastan may be closed and if need be diverted to a side towards the north.

× × × × × ×

III. This assembly of Muslims of the Mysore City resolve that cypies of the above two resolutions may be sent to the Hon'ble Prime Minister of India, the Home Minister of India, to the Government of Mysore, to the City Improvement Trust Board, City Municipality, President A.I.C.C. Delhi, and all the Newspapers, and to such others as the President of the assembly deems fit.

ABBA MANZIL
ABBA ROAD,
Mysore 30th Sept. 1955

I. THE MUSLIM CITIZENS OF MYSORE CITY in mass meeting (numbering more than Twelve thousand) assembled at Meelad Baugh, Ashoka Road, Mysore City on the occasion of the celebration of the Holy Prophet's Day on 29th October 1955 resolved unanimously that they place on record their profound regret at the taking away by the City Improvement Trust Board of the vacant land adjacent to the Muslim Orphanage on the Sayyaji Rao Road which was in their possession and enjoyment for over 20 years ever since its grant to us during the time of Sir Mirza M. Ismail when he was Dewan of Mysore. This question was being brought up for reconsideration on the ground that the original order was not clear and specific on the point. But later on, in 1951 December or thereabouts, the then Minister for Trust Board inspected the place in the presence of the Orphanage authorities and wrote out an order which, while taking away such portions as were not necessary for the purpose of the Orphanage, allowed them to retain the rest which was quite necessary for its purposes. This did not fully satisfy the Muslim representatives. It is, however, strange that this order was not given effect to by the successor Government. The City Improvement Trust Board again reopened the subject and have now given away the vacant portion to the north of the Orphanage to the Vidyavardhaka Sangh for the purpose of putting up a High School. The latter erected the compound wall over night leaving only a narrow margin of 35 feet. We would have had no objection for the grant of the site to the Vidya Vardhaka Sangh and we would even welcome the grant of a site to the High School, but that should have been elsewhere and not in this compound place and that at the cost of their poor Muslim Orphans. That narrow streteh of the site admits of no place for games or other outdoor activities to the new High School while it has deprived the open space for the Orphanage There were enough of spacious sites in the neighbourhood for the High School.

Another deep injury caused to the Muslim Orphanage is the reservation of a relatively large area measuring 60 ft. by 50 ft. right in front of the mosque in the very compound of the Orphanage building for the use of an abandoned Aswathkatte on which there is no tree at the present. Originally there was left for the purpose just a small place sufficient for its needs. This big piece of land being cut away from an otherwise rectangular frontage of the Orphanage destroys both the beauty and the utility of the open place.

This meeting feels that the Muslims being as much citizens of the State as others - deserve every consideration and sympathy. This meeting considers that it is not yet too late to undo the wrong that is done to the Orphanage and prays that Government may be pleased to restore to the Orphanage the land now granted to Vidyavardhaka Sangha and also reduce the area reserved to the abanboned Aswathkatte from 60 ft x 50 ft to just what is necessary for the purpose. Such a gesture on the part of the Government and Trust Board would strike the imagination of the Muslim Community & cement the ties of friendship and brotherhood between the different communities.

P. T. O.

II. The Muslim citizens of Mysore City in mass meeting assembled at Meelad Baugh, Ashok Road, Mysore City on the occasion of the celebration of the Holy Prophet's Day on 29th October 1955 resolved unanimously to place on record their deep sense of dissatisfaction and disapprobation at the wanton injury to the feelings of the entire Muslim Community caused by the Mysore City Municipal Council in running a road right on the Khabrastan site on the other side of the Bus Terminus in Sayyaji Rao Road, Mandi Mohalla, Mysore and that in a hurried manner. The Municipal Council was well aware of the sentiments of the Muslim Community as regards this Khabrastan which has been noted in the registers of both the Municipal Council and Trust Board and for that very reason they had not put a road across the same all these many years. If there was any necessity for a conneetion to Sayyaji Rao Road from Ediga side it could easily have been done by just taking a side of the Khabrastan site to the north instead of cutting right across the place.

We wish to place on record the deep resentment of the entire Muslim Community at such an act of the Municipal Council which amounts to desecration of the Khabrastan a matter in which not only the Muslims of any particular place are interested but also by the entire Muslim community everywhere.

The Indian Constitution assures to every religious minority its rights but here it is found that the Council ignores the very fundamental rights to a section of its citizens. It is seen that in doing this act of sacrilage they were clearly abusing their trust and power and conscious of the fact that they had the brute majority which would not take into account any of the moral principles involved.

This assembly therefore urges that this new road across the Khabrastan may be closed and if need be diverted to a side towards the north.

× × × × × ×

III. This assembly of Muslims of the Mysore City resolve that cypies of the above two resolutions may be sent to the Hon'ble Prime Minister of India, the Home Minister of India, to the Government of Mysore, to the City Improvement Trust Board, City Municipality, President A.I.C.C. Delhi, and all the Newspapers, and to such others as the President of the assembly deems fit.
